General Meeting, July 4, 2006

Since the next scheduled-meeting date is a universal holiday, there will be no General Meeting this month.

Past President Wayne Kleinstiver took pictures at a recent meeting, and since they give us a representative view of a regular meeting, some of them will be included in this Homepage.

IMPORTANT NOTICE

The Vero Beach Main Library desperately needs volunteers to help with their computers, and we owe the Library **big-time** for letting us hold our SIGs and regular meeting there. The Library has two rather large sections of public-access computers with Internet access and Microsoft Office and a few computers with scanners and CD writers.

As a volunteer, you could help greatly by:

1. Signing patrons onto the computers, using a simple program called PC Reservation. Each patron must briefly visit the media desk helper (you) in order to be assigned a pin number to sign on to a specific computer. From then on the computer program keeps track of who is on what computer, how much time he or she has used it, which computers are still available, and, you will be able to "see" that information.
2. Library Personnel are always around to aid the patron, plus it's very interesting and a lot of fun. Please, if you feel that this is something you can help out with, **even for only an hour or two a week or longer, contact me:** Lucia Robinson, VBCG Library Volunteers Coordinator — robinson@bellsouth.net — 772-778-1838.

The Associated Press reports, "Three hours before a start against Florida, Colorado Rockies pitcher Jason Jennings sits in front of his locker, puts on his headphones and stares at his video iPod...Jennings is doing some last-minute cramming: The Rockies' video staff has downloaded every Marlins hitter into his iPod, and Jennings is figuring out how to pitch to them. He watches frames of himself delivering the pitch, followed by the result of the play. Everything else is weeded out." [Jun 19, 2006]
